++ Valid for broadcast between 0600 and 1800

Headline:
Mostly dry but cloudy.

Today:
A dry day. Rather cloudy in the morning, but some bright or sunny spells are likely to develop in the afternoon, although high cloud may turn the sunshine hazy. Light northwest winds. Maximum temperature 15 deg C (59 deg F).

Tonight:
A largely dry evening and night, but with a good deal of high cloud. Low cloud will thicken around the coast overnight, giving a few spots of light drizzle. Minimum temperature 4 deg C (39 deg F).

Thursday:
A dry, bright day inland with high cloud giving some hazy sunshine at times. Thicker low cloud across Argyll and the isles,. Maximum temperature 16 deg C (61 deg F).

Outlook for Friday to Sunday:
A mostly cloudy few days with the best chance of any bright or sunny spells on Friday. Largely dry, but some patchy light drizzle is possible over the weekend.
